## Q48. District Facilitator (DF)

The District Facilitator must be a certified teacher or a certified administrator in the district who will lead the TEAM Coordinating Committee and function as liaison between the CSDE, the district, beginning teachers, and mentors regarding requirements of the TEAM program.

The superintendent is asked to appoint the individual (DF) who will be responsible for the facilitation of the TEAM Program in the district. A DF may continue to serve in the role for multiple years. However, when a new DF is appointed, the superintendent must notify the CSDE by sending an email to Gady Weiner at <a href="mailto:gady.weiner@ct.gov">gady.weiner@ct.gov</a>

For a full description of the role and responsibilities, please see the TEAM Program Manual.

The superintendent has appointed the following individual to the role of DF:
Jennifer Ringelheim

## Q6. Goals, Activities and Budget

Local and regional school districts shall develop a three-year teacher education and mentoring plan that incorporates the Department of Education's goals and instructional priorities, as well as any local considerations based on community and student needs. The plan shall include a statement of three-year objectives related to the state's goal statement for the teacher education and mentoring program.

The Mission of the TEAM Program: To promote excellence, equity and higher achievement for Connecticut students by engaging teachers in purposeful exploration of practice through guided support and personal reflection.

## The goals of the TEAM Program are to:

- Provide all beginning teachers with the support they need to develop as effective educators;
- Ease the beginning teacher's transition into the teaching profession in order to retain effective teachers;

- Develop teachers who are reflective practitioners, able to critically assess their practice against CT's teaching standards, and are committed to continuous professional learning;
- Cultivate an understanding of the professional responsibilities of an educator;
- Foster collaborative learning communities for all educators; and
- Provide excellent teachers the opportunity to develop as educational leaders.

Q7. List your district's three-year objectives related to the state's mission and goal statement for the Teacher Education And Mentoring Program.

(Consider: alignment to district/school initiatives related to teaching and learning; teacher retention, professional development, etc.)

Wilton Public Schools will: A. Facilitate the ongoing implementation of the TEAM program by: -refinement on in-district training and timelines *September - Notify BTs of mentor teachers and meet with Yr 1 and Yr 2 BTs and mentors to outline the TEAM goals and requirements for the year *October - Module 5 Facilitated Discussion *November/December - Support for completion of first written reflection paper/module for the school year *April/May - Support for completion of second written reflection paper/module for the school year *Yearlong - Update TEAM Google Classroom with vetted resources and tools for successful module completion B. Recruit/Retain -identifying new mentors in collaboration with building administrators to attend summer training (with a focus on areas of need) -communicate information about update training and provide time for mentors to update - survey mentors to reflect and comment on program -appoint members to the TCC for the upcoming school year C. Reflect -survey participating teachers to determine areas of success and refinement for district support -review goals of TEAM program and our Teacher Evaluation program to align, but to keep separate.

Q8. Local and regional boards of education shall:

- 1. ensure substitute teacher coverage for mentors and beginning teachers to participate in the activities and modules required in the three-year teacher education and mentoring plan;
- 2. communicate regularly with beginning teachers about training opportunities, state-wide workshops and support group work;
- 3. coordinate the teacher education and mentoring program and teacher evaluation and supervision program, provided they are kept separate;

## Q24. Mentors

Q12. Who will facilitate Module Five?

Local and regional boards of education shall develop a three-year teacher education and mentoring plan that includes a description of the process used to select mentors and assign them to beginning teachers, based on subject areas, grade levels, and needs; and a description of the process to ensure mentors are trained and updated in best practices and essential knowledge.

Those persons eligible to serve as mentors for such programs shall hold a provisional educator certificate or a professional educator certificate pursuant to section 10-145s, and have at least three years teaching experience in Connecticut, including at least one year of experience in the district in which they are presently employed. Retired certified teachers may also serve as mentors, provided they successfully complete a mentor training program.

Q17. Describe the criteria and process used to recruit and select mentors who meet the statutory criteria (see above).

District Mentors are selected by the following criteria: -Tenured in Wilton Public Schools -Recommended by the building administrator and master mento-Submission of an application (available online) to the District Facilitator

#### $\Omega$ 18

Assigning mentors to beginning teachers is a critical first step in providing support. Describe the criteria and process, including the timeline for assigning trained mentors to new teachers. How soon after a teacher is hired will the LEA assign a mentor?

<u>Consider</u>: matching beginning teachers and mentors based on subject areas, grade levels, proximity, and needs where possible when making an assignment.

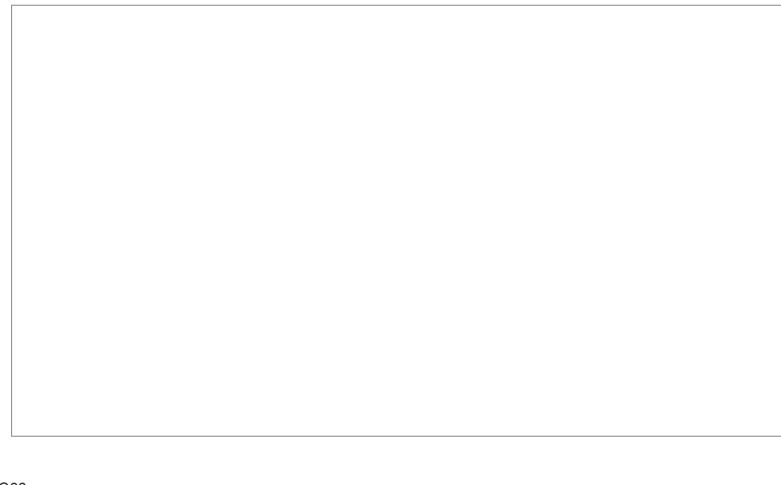

## Please Note: TEAM Guidelines state:

A mentor **must** be assigned to all beginning teachers at the start of the school year or as soon as possible upon hire. It is strongly encouraged that mentors be matched and assigned to a beginning teacher within 30 days of the beginning teacher's hire date. The district is responsible for ensuring that all beginning teachers are assigned a mentor (p. 9).

Q19. Beginning teachers are assigned a mentor within 30 days of hire.

•	Mentors are required to attend a state approved training and update training.
	Mentors are trained by in-district trainers (lead/master mentors) who have been trained and updated by the state.
	Other: Please explain

Q22. Describe any additional professional development opportunities provided by the LEA to mentors to address further development of best practice and essential content knowledge. (Optional)

## Q32. Mentoring Hours

Each mentor shall provide fifty contact hours to each beginning teacher during the program, with the expectation of approximately ten contact hours per module.

## Q24.

Describe how your LEA will monitor the number of mentoring hours provided to each beginning teacher to ensure support hours are meeting the mandated requirements and a process for addressing possible issues during the year.

Beginning teachers shall satisfactorily complete instructional modules (classroom environment, planning instruction, instructing, assessing and professional responsibility). Beginning teachers shall work with their mentors in developing a planned set of activities, based on the topics offered within each instructional module.

Beginning teachers shall complete two modules in their first year in the program and three modules in their second year in the program, except as otherwise provided by the Commissioner of Education.

### Q26.

Describe how the LEA will orient all beginning teachers to the TEAM program (generally within 45 days from their first day in the classroom).

The TEAM Guidelines require all LEAs to provide an orientation to TEAM which includes, but is not limited to the following: an overview of the TEAM Program requirements, an introduction to TEAM, a review of the district's threeyear TEAM support plan, timelines for TEAM completion, including any district specific requirements, and a schedule for district-based support.

A meeting for all year 1 teachers participating in TEAM and their mentors is held at the end of September (after the District Facilitato RESC meeting to be able to share updates). This meeting includes an overview of the TEAM program (including the modules suggeduring year 1), our District Support for TEAM, the relationship of TEAM and Teacher Evaluation, an overview of CTTEAM, informatic and when it is scheduled, an orientation to our TEAM Google Classroom, and the outline of the due dates and requirements for TEA year. A separate meeting is held for teachers and their mentors in mid-September, who are in the second year of TEAM. ## Q27.

Describe how the LEA will ensure BTs know the consequences of not completing all TEAM requirements by their deadline date.

Teachers who do not successfully complete all five modules by the end of three years in TEAM for Category I teachers, and two modules within two years for Category II teachers, and who do not receive an approved extension of time, will not be eligible for an extension of their initial educator certificate and will not be eligible to advance to the provisional certificate. In such case, in order to earn eligibility for the reissuance of the initial educator certificate, the teacher would need to fulfill the requirements of intervening study and experience (Sec. 10-145f) as approved by the State Board of Education.

This information is shared (verbally and in the powerpoint provided by the state) at both beginning of the year meetings with TEAM teachers. It is also discussed individually, if needed.
,

Q28.

Describe the process for monitoring beginning teachers are on track to complete TEAM by their deadline dates.

CTTEAM is used to monitor and track the completion of each module for each beginning teacher. In addition, it is strongly recommended to each beginning teacher to keep a "screen shot" of their TEAM dashboard. The District Facilitator also keeps separate written documentation of the progress of each teacher during the module process.		

## Q29.

Describe supports for teachers who are not on track to complete TEAM by their deadline dates.

Building Master Mentors and the District Facilitator reach out and schedule meetings with teachers who are not on track to complete TEAM by deadline dates. Additional support time is provided, if necessary.
31. Module Completion
eginning teachers shall satisfactorily complete five instructional modules (based on their teaching ndorsement, some teachers will complete two instructional modules);

Beginning teachers shall work with their mentors in developing a planned set of activities, based on the topics offered within each instructional module.

For each instructional module, beginning teachers shall submit **a reflection paper or project**, to be signed by the mentor, that summarizes, describes or analyzes what has been learned by the beginning teacher and their students throughout the module and how the learning contributed to the development of such beginning teacher.

Q31. How will teachers demonstrate completion of each instructional module?

- Teachers will submit a reflection paper to demonstrate completion of each module.
- Teachers will submit a project to demonstrate completion of each module.
- Other

Q32. You selected <u>Project</u> - Please describe the requirements of the project including, but not limited to, how teachers will demonstrate and document module activities and outcomes aligned with the Criteria for Successful Completion of a Module.

This question was not displayed to the respondent.

**Q33.** You selected Other- Please describe the requirements for module completion, including, but not limited to, how teachers will demonstrate and document module activities and outcomes aligned with the Criteria for Successful Completion of a Module.

This question was not displayed to the respondent.

### Q51.

## Review of Modules

For each instructional module, beginning teachers shall **apply the knowledge gained** through such activities and describe how the activity **impacted student learning**.

PLEASE NOTE: Regardless of whether a district elects to review module completion in-district or participate in a regional review process, all reviewers must be trained prior to conducting reviews and participate in update training in subsequent years.

## **Review Criteria**

For each instructional module, beginning teachers shall submit a reflection paper or project, to be signed by the mentor, that summarizes, describes or analyzes what has been learned by the beginning teacher and their students throughout the module and how the learning contributed to the development of such beginning teacher.

PLEASE NOTE: Regardless of whether a submits a reflection paper or a project, the review criteria is the same.

Q35. How are reviewers trained and updated?

- Reviewers are required to attend a state approved training.
- Reviewers are trained in-district using a state-approved training.
- Other: Explain

Reviewers are required to attend a state approval initial training and then are required to update online each year in the fall.

Q36. How will modules be reviewed for successful completion?

- Regional Review (RESC Collaborative)
- In-district Review
- Consortium (in a collaboration with other districts)

Q37. Describe the in-district or consortium review process including, but not limited to:

- Assigning reviews of module completion
