

# Policy for Mentor Eligibility

Revised August 2018

Mentors become eligible to serve in the role and may be matched with beginning teachers when they complete the appropriate TEAM Mentor training.

Mentor **eligibility** continues for the three years subsequent to the training year. At the end of that time a mentor cannot be matched with a beginning teacher until completion of a *TEAM Mentor Update* to restore their eligibility to serve as a mentor.

If a mentor does not complete a TEAM Mentor Update Training by the end of the **fifth** year, she/he must complete TEAM Initial Support Teacher Training (two-day) to regain eligibility to serve as a mentor
