

Consolidated Grant Fiscal Brief March 21, 2024

Dear Consolidated Grant Fiscal Contacts,
Fiscal briefs are sent periodically to keep you up to date. I will keep things short and sweet with just two items this week!

Leadership Survey

Both the April 2 Encore and the March 27, 2024 Fiscal Contact Virtual Gatherings are at FULL Capacity. If you didn't get a spot, there are still more ways to connect! First, take a minute to share your thoughts in the [2023-2024 Title I Leadership Survey](#) We will close on March 28 & use the results to engage in program planning for 2024-2025. Stay tuned for more opportunities. I have reached out to professional organizations like CASBO to find more ways to meet the demand.

Fiscal Update

In the coming weeks, I will be starting to reach out to LEAs related to spending and draw downs. There is currently no federal waiver for the 2024 award year, so the requirement to expend 85% of funds by September 30, 2024 is in full effect unless a waiver is requested. If you would like to schedule a Virtual meeting to review your status, please use my booking calendar [below](#).

Thanks for reading this far, and I look forward to connecting soon!

-Jen
