An applicant for petition forms who does not wish to specify a party designation shall so indicate on the application for such forms and the application, if so marked, shall not be amended in this respect. No application made after November 3, 1981, shall contain any party designation unless a reservation of such party designation with the Secretary is in effect for all of the offices included in the application or unless the party designation is the same as the name of a minor party which is qualified for a different office or offices on the same ballot as the office or offices included in the application. The Secretary shall not issue such forms (A) unless the application for forms on behalf of a candidate for the office of presidential elector is accompanied by the names of the candidates for President and Vice-President whom the candidate for the office of presidential elector represents and includes the consent of such candidates for President and Vice-President; (B) unless the application for forms on behalf of Governor or Lieutenant Governor is accompanied by the name of the candidate for the other office and includes the consent of both such candidates; (C) if petition forms have previously been issued on behalf of
