👋 Hello from Stephanie Thomas, the Secretary of the State of Connecticut!

I’m reaching out to provide trustworthy voting information to help Connecticut get out and vote!

Help Connecticut Vote

Over 1 million registered voters in CT don’t vote.

And some of them surely follow you. You can help them understand the voting process by sharing trustworthy election information along with your own voting experiences.

3 Ways to Vote in Connecticut

Absentee Voting without an Excuse 📪

Every eligible voter can apply for an absentee ballot through **MyVote.CT.gov**. Once your application is approved, your Town Clerk will mail you an absentee ballot. Once you've finished your absentee ballot, you can send it back in the mail, drop it in an official drop box, or deliver it in person to your Town Clerk.

Early In-Person Voting 🗓️

Early voting is a safe and secure way to avoid the busy lines at polling places on Election Day. It will take place from **October 19 through November 1**, including weekends. **Check here in October for early voting locations.**

Election Day In-Person Voting 😀

You can also of course vote on **Tuesday, November 3**, at your assigned polling place from 6 AM to 8 PM. As long as you're in line by 8 PM, you can vote.

Learn more about your voting options.

How to register and prepare to vote

- It only takes a few minutes to check if you're registered with the **CT voter lookup tool**.
- If you've moved recently (even within CT), you need to **update your voter registration**.
- Register by the deadline: **Friday, October 16th**. However you also have the option for same-day registration during Early Voting (**Oct 19-Nov 1**) and on Election Day (**Nov 3**).
- **Look up your local polling place** ahead of time.
- You can request **translation support** or **accessibility accommodations** by contacting your local election office. It's within your rights.

Connect with CT Election Officials

Local election officials are real people!

- Reach out to your local election officials — both the **Registrar of Voters** and **Town Clerks** — to meet them and ask questions. Check your town website to connect with them.
- **You can watch parts of the voting process** that are open to the public — and even film it to share with your community.
- You can even reach out to me, the Secretary of State, to visit my office! Contact Amy White at **Amy.White@ct.gov** or call her at **860-254-7309.**
