We, the above signed Election Officials certify that the Moderator appeared at the office of the Registrar of Voters not later than 8 p.m. of the day before the election or primary and received a copy of the "Report for Pre-Election Tabulator & Memory Card Testing" and other supplies necessary to conduct the election or primary that were not previously delivered.

We further certify that, before the polls opened, the seals located on the tabulator were unbroken and were the same seals recorded on the "Report for Pre-Election Tabulator and Memory Card Testing," and that each tabulator in use was prepared for voting in accordance with the opening procedures in the Moderator's Handbook (Appendix D).

We further certify that, before the polls opened, the tabulator was turned on and produced a tape correctly stating the town, state, date, voting district, offices, candidates names, and questions on the ballot; and setting forth a "write-in" line for each office group, a "ballots cast" total of "0000," and a vote total of "0000."

We further certify that the display on the front of the tabulator showed the voting district number and a count of "0."

OFFICIALS DELIVERING SUPPLIES

I/we certify that, before the polls opened, the ballot packages and tabulator(s) listed above were received from the Registrars of Voters and delivered to the polling place or secure storage area, and bore labels for the voting district and town referenced above.

I hereby certify that the absentee ballot vote, including "overseas ballots" set forth in this Return for each candidate and for and against each question is correct and that the following numbers are true and accurate according to the worksheets signed by the absentee ballot counters.

CERTIFICATE FOR THE CLOSING OF THE POLLS

We, the undersigned Election Officials certify that after the polls were closed, the voting tabulator was closed and secured against further voting in accordance with the closing procedures in the Moderator's Handbook, Appendix D.

We further certify that the memory card seal on the front of the tabulator had not been broken.

We further certify that the Moderator fed all remaining ballots that were eligible to be counted by tabulator into the tabulator for processing.

We further certify that the tabulator thereupon produced an "Election Results Report" setting forth: the town, voting district, election date and vote totals for each candidate and question on the ballot.

We further certify that any ballots which could not be processed by the tabulator and any ballots containing write-in votes were hand counted by two election officials from different parties.

We further certify that the number on the public counter after all ballots that could be fed into the tabulator were processed, the number on the seals applied to the ballot transfer case(s) and tabulator carrying case(s), and the number of absentee and election day registration ballots (if counted at this location) which were tabulator processed in whole or in part are as recorded below.

Once all votes for each candidate and question have been counted either by tabulator or by hand all vote totals were recorded on the tally sheet and all final vote totals for each candidate and question were announced by the Moderator to all those present.
