WHEREAS, infections with highly transmissible variants of the coronavirus that causes COVID-19 and that have spread widely in the United Kingdom and elsewhere have been discovered in Connecticut and other states, increasing the risk of greater transmission of COVID-19 throughout Connecticut; and

WHEREAS, Executive Order No. 7CC, issued April 21, 2020, provides that individual stimulus payments made pursuant to Section 2201 of Public Law 116-136 (“CARES Act”) shall be temporarily excluded as income and resources when determining eligibility for, or the amount of, benefits or services funded in whole or in part with state funds; and

WHEREAS, because of the likelihood of patrons gathering in close proximity, service of alcohol without food or table service remains a high-risk activity increases the risk of increased transmission of COVID-19, Executive Order No. 9D, dated September 25, 2020, therefore extended the prohibition on the sale of alcohol by certain liquor permittees without the sale of food, thereby preventing some on-premise liquor permittees from enjoying the full benefit of their liquor permit; and

WHEREAS, because of significant challenges for businesses posed by such prohibitions, modifying the effective date of certain changes in permitting fee structures enacted through Public Act 19-24, which took effect on July 1, 2020, during the COVID-19 pandemic, can serve to promote compliance with the prohibition on service of alcohol without the sale of food; and

WHEREAS, COVID-19 infections, hospitalizations and deaths, have decreased again so that a relaxation of such limits is appropriate; and

WHEREAS, special elections and municipal primaries will be held in the coming months to select candidates for various state and municipal offices; and

WHEREAS, upon a proclamation that a civil preparedness emergency exists, section 28-9(b) of the Connecticut General Statutes authorizes the modification or suspension in whole or in part by executive order of any statute or regulation or requirement or part thereof that conflicts with the efficient and expeditious execution of civil preparedness functions or the protection of public health; and

WHEREAS, the General Assembly has previously adopted Public Act 20-3 (July 2020 Special Session), which authorized absentee balloting in a manner similar to the provisions in this executive order in order to reduce the risk of transmission of COVID-19;

All other requirements of Section 9-140b(c) continue to apply.
- ii. No elector shall be permitted to deposit such elector’s absentee ballot in a secure drop box after the hour prescribed for the closing of the polls in any election unless such elector is in line at the drop box at the hour prescribed for the closing of the polls in any such election. The municipal clerk, or municipal clerk’s designee, shall lock the drop box after the last elector in line at the hour prescribed for the closing of the polls in any election has deposited such elector’s absentee ballot in the drop box.

- (f) **Modification of Time Period for Sorting of Absentee Ballots into Voting Districts by the Municipal Clerk.** Section 9-140c(b) of the Connecticut General Statutes is modified to provide that for any special election or municipal primary held before April 20, 2021, beginning the fourteenth day before the election or primary and on any weekday thereafter, all absentee ballots received by the municipal clerk not later than eleven o'clock a.m. of such day may be sorted into voting districts by the municipal clerk and checked on the official checklist. Ballots received not later than eleven o'clock a.m. on such last day before the special election or municipal primary shall be delivered by the municipal clerk to the registrars at six o'clock a.m. on the day of the election.

(g) **Waiver of Supervised Absentee Ballot Requirements.** For any special election or municipal primary held before April 20, 2021, the Secretary of the State may waive any requirement under sections 9-159r and 9-159q of the general statutes, provided the Secretary (1) waives such requirement in recognition of the public health and civil preparedness emergency declared by the Governor on March 10, 2020, and renewed on September 1, 2020 and January 26, 2021 and has consulted with the Commissioner of Public Health or said commissioner's designee regarding such waiver, and (2) has given written notice to the municipal clerk and registrars of voters in each municipality.

Unless otherwise provided herein, this order shall take effect immediately and remain in effect for the duration of the public health and civil preparedness emergencies declared on March 10, 2020, September 1, 2020, and January 26, 2021.
