Plan of Districting for the State House of Representatives,
filed November 30, 2011

Editor's Note:

The cover letter of the Reapportionment Commission dated November 30, 2011 and submitted to Secretary of the State Denise Merrill with the Commission's report of the geographic boundaries for each new state House district indicates that "a statewide map with boundaries of each district displayed" is attached with the report. No such map was attached to the filed report. Therefore, the referenced map is not reproduced in this publication of the Reapportionment Commission Plan of Districting for the State House of Representatives.

Honorable Denise Merrill
Secretary of the State
30 Trinity Street
Hartford, Connecticut 06115

Dear Madame Secretary:

Pursuant to Article III, Section 6 of the state constitution, as amended by Articles XII, XVI, XXVI, and XXX, on November 30, 2011 the Reapportionment Commission transmitted to you the redistricting plan for the state House of Representatives, including the geographic boundaries of the House.

The commission, during its November 30, 2011 meeting unanimously approved a motion to adopt the geography report with two exceptions: (1) the population count for the 41st district shall be reduced by 994 people and the population count for the 40th district shall be increased by 994 people and (2) the portion of Trumbull annexed to and incorporated by Bridgeport pursuant to Special Act 11-2 shall be considered part of the 126th district.

To ensure a complete and accurate accounting of the 2011 redistricting process, I am attaching a copy of the following three documents: (1) minutes of the November 30, 2011 commission meeting, (2) corrected population counts from the U.S. Census Bureau for Groton Town and Groton, and (3) a memorandum from the Legislative Commissioners' Office explaining the transfer of land from Trumbull to Bridgeport.

Sincerely,

A handwritten signature in cursive script that reads "Sandra Norman-Eady".

Representative Christopher G. Donovan
Representative Sandy H. Nafis
Representative Arthur J. O'Neill

REAPPORTIONMENT COMMISSION

MEETING MINUTES

NOVEMBER 30, 2011

4:00 PM IN HEARING ROOM 1B

Representative Cafero called the meeting to order at 4:10 p.m.

The following commission members were present:

Senators: Donald E. Williams, Jr., 29; John McKinney, 28; Martin M. Looney, 11; Leonard A. Fasano, 34

Representatives: Lawrence F. Cafero, 142; Christopher G. Donovan, 84; Sandy H. Nafis, 27; Arthur J. O'Neill, 69

Elector of the State: Kevin P. Johnston

A motion was made by Representative O'Neill and seconded by Representative Nafis to approve the November 3, 2011 commission meeting minutes. The motion was unanimously approved by a voice vote.

Representative Cafero welcomed the members of the 2011 Reapportionment Commission. He formally welcomed the newest member of the commission, former state legislator and state auditor Kevin P. Johnston, as the ninth member. He also welcomed legislators, staff, and members of the public who joined them for the meeting.

Representative Cafero stated the commission's duty to draft redistricting plans, certify them with the votes of at least five members, and immediately transmit it to the Secretary of the State. Reflecting on the reapportionment process, he said "It is a decidedly difficult and time consuming process to negotiate a plan to the point of agreement, but I do believe the bipartisan process that we have here in Connecticut is a good and fair one, and I believe that the business we will take up today is a reflection of that."

He asked if there was any new business before the commission.

Representative Donovan thanked the commission members for their efforts on redistricting and their many hours of hard work. He also thanked the people who testified at the public hearings and submitted comments. He stated that public input was valuable and there were significant changes to the House plan in response to ideas from the public hearings. He highlighted a few examples, including: (1) placing Kent in the new 64th House district with other northwestern corner towns of the Upper Housatonic River Valley; (2) providing Windsor with a majority of a House district; and (3) properly reflecting minority voting strength, such as in the new Windsor and Hartford districts.

Representative Donovan made a motion to adopt the House of Representatives' Redistricting Plan Geography Report with two exceptions: (1) the population count for the 41st district shall be reduced by 994 people and the population count for the 40th district shall be increased by 994 people and (2) the portion of Trumbull annexed to and incorporated by Bridgeport pursuant to Special Act 11-2 shall be considered part of the 126th district.

The motion was seconded by Representative O'Neill.

Representative Cafero thanked the members for all of their hard work and said that the process was fair, bipartisan, and completed with respect. He also thanked Kevin Johnston and nonpartisan and caucus staff for their efforts. He explained that the House plan has a self-imposed deviation of +/- 3% and that it is two points better than 10 years ago.

The commission unanimously approved the motion by a voice vote.

Representative Cafero called a 20 minute recess for staff to download and verify the Senate plan.

Representative Cafero reconvened the meeting at 5:00 p.m. and turned it over to Senator Williams.

Senator Williams thanked commission members and caucus and nonpartisan staff for their work during the process. He also thanked Kevin Johnston for his involvement. He explained that Connecticut has a bipartisan redistricting process and the commission was committed to a bipartisan resolution. He stated that the Senate map would be available online by the next day at 9:00 a.m.

Senator Williams made a motion to adopt the Senate's Redistricting Plan Geography Report which was seconded by Senator McKinney. Senator McKinney added thanks to all staff. He stated that a system that can be frustrating was always fair and the parties acted in good faith during a difficult process. He also praised Kevin Johnston for being fair and neutral.

The motion was unanimously approved by a voice vote.

Representative Cafero announced that the commission had not reached agreement on a Congressional redistricting plan and intended to seek an extension from the State Supreme

Court so that the commission could complete its work by passing a plan for Congress expeditiously.

Representative Cafero extended the commission's thanks and deep appreciation to the nonpartisan staff from the Office of Legislative Research, Information and Technology Services, and the Office of Legislative Management.

A motion to adjourn the meeting was made by Representative O'Neill and seconded by Representative Nafis. It was approved unanimously by voice vote. The meeting adjourned at 5:15 p.m.

Sandra Forte'

The Connecticut General Assembly

Legislative Commissioners' Office

Memorandum

To: Jeff Greenfield
From: Allison McKeen
Date: November 23, 2011
Subject: Redistricting considerations regarding the boundary between Bridgeport and Trumbull

Please Note: This memorandum may contain information that is confidential, legally privileged, or otherwise exempt from disclosure. The information in this memorandum may include a legal opinion, but does not constitute binding legal authority, and is intended exclusively for the entity, individual or individuals named above and the employees of the Legislative Commissioners' Office.

In April, 2011, the General Assembly altered the boundary between the town of Trumbull and the city of Bridgeport, thereby relocating approximately 54.94 acres of uninhabited land in the town of Trumbull to the city of Bridgeport. The new boundary, which was approved after the completion of the 2010 federal census, splits several federal census blocks between the two municipalities. No persons were moved or affected by this change. However, if the Reapportionment Commission adopts the House of Representatives Redistricting Plan Geography Report without taking this boundary change into consideration, then land that is now geographically part of the city of Bridgeport will continue to be represented as part of the 123rd House District in the town of Trumbull.

If the Reapportionment Commission intends to place this land in a House District in the city of Bridgeport, then its motion to adopt the House of Representatives Redistricting Plan Geography Report should be amended as follows:

Move to adopt the House of Representatives Redistricting Plan Geography Report, except that the portion of the town of Trumbull annexed to and incorporated in the city of Bridgeport pursuant to Special Act 11-2 shall be considered part of the ____ House District.

NOTE: Change to the Connecticut 2010 P.L. 94-171 Summary File data as delivered

A misallocation of a small number of military personnel aboard naval vessels was discovered in our 2010 Census P.L. 94-171 Redistricting Summary. The Census Bureau determined that this misallocation was the result of a geocoding error. Such discrepancies can occur when a living quarter, such as a house, apartment or military vessel, is placed in an incorrect location. A thorough review of all ports followed. We discovered a systematic error in the manner in which a few military vessels had been geocoded, including an error involving Groton and Groton Town, Connecticut.

We determined that 994 persons located in 2010 tabulation block 09011 7026.00 1001 should have been assigned to tabulation block 09011 9800.00 1020, in the Groton Town, rather than to Groton. The Census Bureau has provided new population counts that enable data users to have redistricting data free of this inadvertent error for the two blocks. We conveyed this updated block information to the affected jurisdictions and to the Connecticut State Legislature. We also posted this errata notice on our Redistricting Data Program website and to the American FactFinder, the 2010 Census dissemination Web site.

The new total for Groton and Groton Town will be available on the redistricting data office website at www.census.gov/rdo/data. Data users on our American FactFinder who are looking for population figures for Groton and Groton Town will be pointed to the change located on the redistricting data page.
