## Notice of Intent to Amend Regulations

---

In accordance with Section 4-168(a) of the Connecticut General Statutes notice is hereby given that the State Board of Accountancy, under the general authority of section 20-280(g)(9) intends to amend section 20-280-24 of the Regulations of Connecticut State Agencies to read as follows:

### **Section 20-280-24. Experience**

(3) Continuing professional education. The individual shall earn [16] 8 hours of the 40 hours of continuing professional education, required pursuant to section 20-280-25 (a) of the Regulations of Connecticut State Agencies, in the subject area of attest or compilation services.

### **Statement of Purpose**

The proposed amendment to the State Board of Accountancy's regulation is an attempt to amend the current regulatory requirement that a licensee obtain 16 hours of the required 40 hours of continuing professional education in the subject area of attestation or compilation. The proposed amendment will require 8 hours of attestation or compilation continuing professional education, which is the current standard as adopted by the American Institute of Certified Public Accountants. This proposed amendment will bring the Connecticut State Board of Accountancy in line with the national trend requiring 8 hours of attestation or compilation continuing education requirements.
