

Notice of Intent to Amend Air Quality Regulations and to Revise the State Title V Operating Permit Program

In accordance with the provisions of section 4-168(a) of the Connecticut General Statutes (CGS), the Commissioner of the Department of Energy and Environmental Protection (DEEP) hereby gives notice of a proposal to amend three sections of the air quality regulations, namely sections 22a-174-3c, 22a-174-29 and 22a-174-33 of the Regulations of Connecticut State Agencies (RCSA). The amendment addresses the application of RCSA section 22a-174-29 to permitted sources of air pollution and adds enforceable limitations on air pollutant emissions to RCSA section 22a-174-3c. The proposed revisions to RCSA section 22a-174-33 will be submitted to the U.S. Environmental Protection Agency (EPA) as a revision to the Title V Operating Permit Program.

Description. DEEP is proposing to make the following changes to the air pollution regulations:

- Revise RCSA section 22a-174-29(b) to clarify the application of the section's requirements to sources operating under a new source review permit.
- Add a cap on hazardous air pollutants and carbon dioxide equivalent emissions to RCSA section 22a-174-3c(a). By stating the emissions caps inherent to proper operation in compliance with the regulation, the regulation will provide source owners with a practicably enforceable mechanism under which such sources may stay below the applicability for federal standards for toxic air emissions and state standards for greenhouse gases.
- Revise RCSA section 22a-174-33(d)(1) to recognize that a source owner may limit air emissions by operating under the requirements of a regulation, such as RCSA section 22a-174-3b, instead of obtaining a Title V permit.

Written comments. Interested persons are invited to comment on the proposal. Comments should be submitted no later than 5 pm on Friday, April 10, 2015 to Paula Gomez, DEEP, Bureau of Air Management, Engineering and Enforcement, 79 Elm Street, Hartford, Connecticut 06106-5127. Comments may be submitted by U.S. Mail or by electronic mail to paula.gomez@ct.gov.

Public hearing. In addition to accepting written comments, DEEP will also hold the public hearing described below. Any person giving oral comment at the hearing will be asked to submit a written copy of such comments.
