Statement of Purpose

Pursuant to CGS Section 4-170(b)(3), "Each proposed regulation shall have a statement of its purpose following the final section of the regulation." Enter the statement here.

All of the amended sections in this proposal identify changes to various agency regulations that have not been updated for many, many years and have recently come to light as a result of the Governor's Executive Order # 37. Many contained herein are due to changes in motor vehicle policies and procedures over this time period of approximately the last two decades. It also incorporates technical drafting changes adopted by the Legislative Regulation Review Committee of the General Assembly. All of the proposed amendments are technical in nature with no legal impact to the public.

The following sections are the subject of this regulation:

4. Payment of Fees – adopted in 1989;
5. Mailing of application-adopted in 1992;
6. [Camp] Trailers- title of regulation's subject matter was from 1967 and the regulations specific to camp trailers were repealed in 2010 and replaced with 14-137-123 and 14-137-124.
