Dear Madam Secretary –

It is with a heavy heart that I have made the difficult decision to resign from office, effective immediately. It has been the honor of a lifetime to serve the residents of the 36th district and the great state of Connecticut. However, due to personal circumstances and ongoing divorce litigation, I cannot continue to dedicate myself to this job in the way that it deserves. I will miss being a part of the legislature with its camaraderie and collective sense of duty. I will miss my colleagues and serving my constituents.

I am forever grateful for having had this opportunity and will always cherish the experience.

Yours truly,

Alex Kasser
