The term "relatives" includes spouses, grandparents, parents, siblings, children and grandchildren.

### **2. How to Enter**

*How to Approach Creating the Video*

- This year's theme is: "**Driving Safe Habits.**" The student director and the team **must demonstrate participants sharing the things that "drive" them to be safe. For example, family, friends, whatever is most important to them. Show viewers the reasons why you pledge to drive safely.**

Distractions and other unsafe behaviors behind the wheel can create dangerous situations for teen drivers and their passengers. This year's contest **focuses on what motivates the teen driver to ensure a safe driving experience.**

See details on laws here: <http://ct.gov/teendriving/laws>

**Each contestant may make ONLY one entry.** To submit an entry, each entrant must produce (write, shoot and edit to final production) his or her own public service announcement ("PSA") up to forty-five (:45) seconds in length. Students may participate either individually or in teams with **no more than five (5) students per team** producing the video. (However, there is no limit on the number of students who may appear in the video.) **One** person must be responsible for taking ownership of the entry.

**Bi-lingual/multi-cultural videos are welcomed and encouraged.** Quality standards and evaluation by judges will also include representing diverse ethnic and racial groups.
