

My Safe Driving
PROMise

This prom season I am making **PROMises** to keep the roads safe for my classmates and myself...

On prom night...

I PROMise to know and to follow the teen driving laws.

I PROMise to remind my friends to obey the new teen driving laws as well.

On prom night...

I PROMise not to drink and drive, because not only to I care about being safe, but also because I want to remember this night.

On prom night...

I PROMise to be a defensive driver, because I know that even if I am obeying the laws, someone else may not be.

On prom night...

I PROMise to remember how valuable my life is.

I PROMise to remember how important my friends are.

I PROMise to remember that I can never get this night back.

And that is why...

I PROMise to Drive Safe!
