## II: ELECTION OF SUPPLEMENTAL and/or VOLUNTARY ACCOUNTS

Members who were employed prior to June 1989 may have a 1% Supplemental account. Those members who paid additional monies into the system have a Voluntary Account. Your choices for distribution are:

- **Refund/Rollover.** Funds may be refunded directly to you, in which case, any pre-tax contributions and interest will become taxable. Alternatively, pre-tax contributions and interest may be rolled over into another “qualified plan”, such as an IRA. The paperwork for the refund/rollover option will be mailed to you after the effective date of your retirement. Failure to return the paperwork for the refund/rollover option on a timely basis will result in your funds being refunded directly to you which may result in federal or state tax liabilities and related penalties.
- **Extra Annuity.** You will receive a fixed payment based on your account balances, included in your monthly benefit, payable over your lifetime under the terms and conditions of the payment plan you select. These fixed payments are excluded from cost of living increases. Upon your death your account balances are settled in accordance with the provisions of your retirement plan option (refer to page 6). Contributions to an Extra Annuity are included in the balance summary of your account at the time of your passing and will not be itemized. Effective 9/1/2021, TRB is able to accept rollover funds for an Extra Annuity. Please see the [Annuity Bulletin](#).
- **Purchase Credit.** You may apply your supplemental or voluntary account balance toward the purchase of credit. Post-tax contributions are applied first, then pre-tax contributions and interest. Any balance remaining in the supplemental or voluntary account will be refunded to you.

Your election to use your supplemental or voluntary account to purchase credit that you make on this application for Retirement Benefits is not binding. We will issue you an invoice for the cost of the service. If you wish to use your supplemental or voluntary account to pay all or any portion of the invoice, you must specify that in writing on the invoice and return a signed copy of the invoice to us on or before the due date of the invoice.

**Check one category for each Account you have.** If in doubt, refer to your annual statement.

**Public Act 21-186 restored the ability of teachers to roll funds** (for any retirements beginning on September 1, 2021, or later) from certain tax-deferred accounts such as a 403(b) into the Teachers’ Retirement System at retirement in order to purchase the TRB’s fixed annuity. If you wish to roll funds into your retirement benefit as a purchase of the fixed annuity, please check the box below and complete the [Direct Rollover](#) form on our website. **Note:** Rollover checks must be payable to CTRB for the Benefit of (Member’s Name) and be comprised solely of pre-tax funds. Checks must be postmarked no sooner than two months prior to and no later than the day prior to your retirement effective date.

I will be submitting paperwork to roll funds from a qualifying tax-deferred account into the TRB’s fixed annuity option.	<input type="checkbox"/>

This is service you forfeited when you withdrew your contributions.

Please be advised if you are currently working as a public school teacher and a part-time lecturer, you need to contact the university or college payroll office regarding your eligibility to enroll in CTRB and include your earnings as part of your pensionable salary, which may have an effect in determining your highest 3-year average at the time of your retirement.

**Current Leave of Absence** - You may elect to pay the monthly mandatory contributions while on your approved current leave of absence for a total of ten (10) months during your career for any leave occurring on or after July 1, 1986. ## VII: CERTIFICATION AND ACKNOWLEDGMENT

The Teachers' Retirement Act prohibits the inclusion in annual salary of any amounts which are intended to artificially inflate a member's average annual salary. This would include any agreement or arrangement by which the member provides advance notice to the employer of his/her intent to retire and in return receives additional salary or compensation during the years immediately preceding retirement.

I, therefore, certify and attest to the fact that I have NOT elected or participated in any agreement or arrangement which was intended to artificially inflate the average annual salary on which my retirement benefit will be determined.

I have reviewed and completed this Application for Retirement Benefits to the best of my knowledge. I understand that my retirement date and payment plan election will become IRREVOCABLE upon the effective date of my retirement.

I authorize the Teachers' Retirement Board to obtain all necessary information from my employer necessary to verify my service and earnings.

I, the undersigned, certify that I am not receiving or entitled to receive a retirement benefit from any governmental system other than this system, the Federal Social Security System, or a non-regular military pension in the case of military service, for the service for which I have made application.

I, the undersigned, certify that I reviewed the Post Retirement Reemployment Bulletin, and I am fully aware of the limitations under State and Federal law for reemployment of retired members in a Connecticut public school teaching assignment. I agree and authorize the Teachers' Retirement Board (TRB) to obtain any information they deem necessary to verify compliance with the Federal and State law requirements regarding my employment in a Connecticut public school. I further agree and authorize the TRB to reduce, suspend or offset against my monthly retirement benefit payment(s) any excess payments, as determined by the TRB, received by me in violation of the Post Retirement Reemployment earning limitations under federal or state law.

## Retirees with Public School Service:

**Pre-Medicare:** If you elect to retire before you become eligible for Medicare you may continue to obtain insurance coverage through your last employing board of education. This option is also available to your Spouse or Surviving Spouse; or to a disabled dependent if at least one parent is deceased. A subsidy payment is sent directly to your Board of Education to offset your monthly out of pocket cost for your health insurance premium, your Spouse's health insurance premium or a disabled dependent's health insurance premium if there is no Spouse. Should the retiree pass away, a surviving Spouse who has not remarried or a disabled dependent retains eligibility for this insurance coverage or the TRB Health Benefits for their lifetime.

Retirees whose last employer is the State of Connecticut should check with their Human Resource (HR) department for eligibility requirements and to obtain the necessary forms and instructions on how to enroll or remain enrolled in the State Employee health insurance plan.

Eligibility for the State Employees health insurance program for a surviving spouse of a retiree is linked to receiving a monthly retirement benefit.

Eligibility for the Teachers' Retirement Board health insurance program for a surviving spouse of a retiree is not linked to receiving a monthly retirement benefit.

A surviving spouse who remarries is not eligible for either the State Employees or the Teachers' Retirement Board health insurance program.

## For All Retirees who are Medicare Eligible:

Once you, your Spouse or surviving Spouse (or a disabled dependent if there is no Spouse or surviving Spouse) are participating in Medicare Part A and Part B you will have the option to enroll in either a Medicare Advantage plan or traditional Supplement plan administered by the Connecticut Teachers' Retirement Board. The required enrollment application may be obtained from our website under the health insurance section at [www.ct.gov/trb](http://www.ct.gov/trb). ***The Application for Retirement Benefits and the TRB Sponsored Health Insurance Application must be submitted 30 days prior to the effective date of coverage (e.g., June 1st for coverage to be effective July 1st).*** A surviving Spouse becomes ineligible for this plan upon remarriage.

Premiums for the CTRB sponsored Medicare Advantage or traditional Supplement plan are deducted from the retiree's pension benefit. Premiums are deducted one pay period in advance to cover the enrollee for the upcoming month. New retirees will have a retro deduction taken from their first or second payment until premium balance is current. For example: July retirees who enroll for July 1<sup>st</sup> into the health insurance plan will have a retroactive deduction from their benefit at the end of September, October, and November to account for the premium owed for July, August, and September.

Spouses are eligible to enroll in the CTRB sponsored health plan option if they are Medicare eligible, even if the retired teacher is not yet 65 or enrolled in Medicare.

You, your Spouse or Surviving Spouse; or a disabled dependent if there is no Spouse or Surviving Spouse, may continue coverage with the board of education if they are not eligible for Medicare or do not have enough quarters to qualify for Premium Free Medicare Part A. A subsidy payment increase is available for those members and their spouses who are over age 65 and unable to participate in Medicare. You can learn more by visiting the FAQs of our Health Insurance section on the CTRB website.

## Post Retirement Reemployment and your TRB Health Options:

Retired members of the Teachers' Retirement System who work in a public school teaching position in Connecticut after their retirement are subject to post retirement reemployment rules and in some cases earnings limitations from that reemployment. Failure to adhere to the rules, limitations and reporting requirements may impact a member's pension. For additional information refer to the [Post Retirement Reemployment](#) bulletin.
