IMPORTANT PLAN INFORMATION

September 25, 2023

Dear Connecticut Teacher retiree,

The Connecticut Teachers' Retirement Board (TRB) is pleased to continue providing your medical, vision, hearing and prescription drug coverage through UnitedHealthcare® for the 2024 calendar year. **Open enrollment will run from October 9th to November 17th.** If you are happy with your current plan election, you do not need to do anything. Your coverage will continue effective for the 2024 calendar year with no disruptions.

Please note: MAPD members will receive a new ID card and Senior Supplement members will receive a new prescription ID card for the 2024 year. Senior Supplement members should continue to use their existing medical plan card. If you wish to make a change, please refer to page 4 in the attached 2024 Open Enrollment Guide for information on how to request a change to your benefit plan election.

Optional Dental Disenrollment

Members will have a one-time optional disenrollment in the current dental program beginning plan year 2024. This is a permanent cancellation of dental benefits and any request for future enrollment will be denied unless CTRB deems otherwise. Cancellation of dental coverage will reduce member premium by the dental amount listed below. Members who wish to disenroll in the dental program may do so by completing the Dental Cancellation Form available on the CTRB website under the Open Enrollment section. Coverage for Medical, Vision, Hearing and Prescription through United Healthcare will remain in effect. Members who wish to terminate all coverage with CTRB should complete the Health Insurance Cancellation form on the CTRB website.
