

Open Enrollment 2026 Information Sessions

We encourage you to attend an Open Enrollment information session to learn about your plan options and hear directly from plan representatives.

You'll have an opportunity to ask questions and get information to help you make informed benefits decisions. Dates and times can be found on the reverse side.

RSVP is optional, but strongly encouraged

While an RSVP is **not required** to attend, we strongly encourage it. RSVPing helps us plan for attendance and allows us to share important reminders or updates before the meeting. It's a simple way to stay informed and ensure you have the information you need before your session.
