COMMENTS FROM OBSERVERS:

June Pinkin asked, what is the percentage of members who retired prior to September 1992? Darlene Perez advised there's approximately 4,000 pre-1992 members (approximately 11%).

June Pinkin asked for clarification regarding the withholding of health insurance subsidy for reemployed retirees. Darlene Perez responded that the thought by the Appropriations

committee was that health insurance should be offered to reemployed retirees by their employers and therefore the State should not also be providing a subsidy for the insurance. This legislation is expected to be revisited.

Rick Follman asked about the timeframe that Joe Fields, TRB Health Consultant would be reporting information regarding the Health Fund account. Clare Barnett advised that Darlene Perez would inform the Board when Joe has completed his research and had information to present to the Board.
