

Water Planning Council Advisory Group – Watershed Protection Workgroup 2026 Schedule

Meetings are held quarterly on the second Friday of the month, from 9:00-10:15 am.

Meeting Dates:

March 13, 2026 – [Meeting Information](#)

June 12, 2026 – [Meeting Information](#)

September 11, 2026 – [Meeting Information](#)

December 11, 2026 – [Meeting Information](#)

-

The purpose of this workgroup is to review and determine the adequacy of current statutory and regulatory provisions to help water companies and municipalities protect public water supply lands and comparable lands that are not owned by water companies; to review and track source water and watershed land protection programs and the roles of state and federal agencies; and to review sensitive public and private land use proposals that could have detrimental effects on drinking water.
