REMAND ORDER

Claimant-Appellant filed an appeal on May 13, 2024, from the April 25, 2024 Order issued by the Administrative Law Judge acting for the Sixth District. It appears that no record was created upon which the Board can reach a determination on the issue presented in this appeal. Due process requires an evidentiary hearing where a record can be created. The Compensation Review Board cannot properly review or consider this appeal under General Statutes Section 31-301 (a).

This matter is therefore remanded to the Administrative Law Judge acting for the Sixth District for a formal hearing or other appropriate action.
