REMAND ORDER

Respondents-Appellants filed an appeal on May 16, 2024, from the Order issued on April 26, 2024 by the Administrative Law Judge acting for the First District, regarding Respondents' Motion to Open and Re-Issue Scar Award dated March 15, 2024. It appears that no record was created upon which the Board can reach a determination on the issue presented in this appeal. Due process requires an evidentiary hearing where a record can be created. The Compensation Review Board cannot properly review or consider this appeal under General Statutes Section 31-301 (a).

This matter is therefore remanded to the Administrative Law Judge acting for the First District for a formal hearing or other appropriate action.
