REMAND ORDER

Respondents-Appellants filed an appeal on May 30, 2024, from an informal hearing which resulted in a Scar Award Order being issued by the Administrative Law Judge acting for the Third District, on May 16, 2024. It appears that no record was created upon which the Board can reach a determination on the issue presented in this appeal. Due process requires an evidentiary hearing where a record can be created. The Compensation Review Board cannot properly review or consider this appeal under General Statutes Section 31-301 (a).

This matter is therefore remanded to the Administrative Law Judge acting for the Third District for a formal hearing or other appropriate action.
