

4th Annual Creating and Improving Pollinator Habitat Conference

Thursday, March 14, 2019
(snow date--Friday, March 15, 2019)

8:30 a.m. – 4:30 p.m. – includes lunch

The Connecticut Agricultural Experiment Station
123 Huntington Street, New Haven, CT 06511

Our focus this year will be on the diversity of types of pollinator habitat in various environments across New England:

On farmland, in Pollinator Pathways, under solar arrays, in forest clearings, and even in gravel pits!

Speakers:

- Emily May, Xerces Society for Invertebrate Conservation
- Nancy Ferlow, State Resource Conservationist, Natural Resources Conservation Service
- Mary Ellen Lemay, Facilitator, Hudson to Housatonic Regional Conservation Partnership
- Joan Milam, Department of Environmental Conservation, University of Massachusetts
- Zara Dowling, Department of Environmental Conservation, University of Massachusetts
- Dr. Kim Stoner, Connecticut Agricultural Experiment Station
- Dina Brewster, CT NOFA and The Hickories

Cost: \$30.00 if registered in advance, \$40.00 at the door (includes lunch)
