Date: March 16, 2021

Subject: New Britain Water Department Batterson Park Road Water Main Extension

Attached please find the Environmental Assessment Summary for the above referenced project. Scoping for the project began on December 22, 2020 and ended on January 22, 2021. The Department of Public Health (DPH) received comments from the Department of Energy and Environmental Protection (DEEP) on January 19, 2021, Dr. David Fisher on January 9, 2021 and a determination from the DEEP Natural Diversity Database on February 9, 2021. The DPH will coordinate with the New Britain Water Department to ensure that the recommendations are implemented.

Based upon the DPH's review of the comments received it is recommended that an Environmental Impact Evaluation is not warranted for this project. Should you have any questions, please contact me at (860)509-7333.
