Memorandum of Findings and Determination

On July 16, 2016 the Connecticut Military Department (CTMD) published a Notice of Scoping in the *Environmental Monitor* to solicit comments for the subject project. During the scoping period, CTMD received comments from the Connecticut Department of Energy and Environmental Protection.

Based on the comments received, and the analysis documented in the attached Environmental Review Checklist, CTMD does not recommend the preparation of an Environmental Impact Evaluation under the Connecticut Environmental Policy Act. Comments and recommendations received were reviewed in conjunction with the preparation of the Environmental Review Checklist and addressed within the checklist, as appropriate.
