SUBJECT: Environmental Impact Evaluation and Record of Decision (EIE/ROD) for
the Bridgeport Facilities Planning for East Side and West Side Wastewater
Treatment Plants Project

Based on a review of the subject Environmental Impact Evaluation and Record of Decision conducted pursuant to C.G.S. Section 22a-1e, I am herewith advising you of my finding that this document satisfies the requirements of the Connecticut Environmental Policy Act (CEPA).

It should be noted that CEQ identified several minor technical differences between the Environmental Impact Evaluation notice included in Attachment 5 of the ROD, and the notice published in the June 8, 2021 edition of the Environmental Monitor. A link to the published notice is as follows:

Sincerely,
