

Contractor Prequalification Program Initial Required Documentation

The following are required for the Contractor Prequalification Program. **Required documents and application fee must be uploaded to the application using the Document Upload and Payment functions.** Applications will not be considered complete until all requirements are met.

Unsolicited information will not be considered, returned, or retained and may cause delays in processing applications.

Note: DAS reserves the right to request additional or supporting documentation.

Company Financial Statement

Provide for the most current fiscal year. This statement must be prepared by a licensed Certified Public Accountant and conform to generally accepted accounting principles. The statement must include information concerning company's current assets, current liabilities, total liabilities and equity.

Under Conn. Gen. Stat. § 4a-100(d), private companies seeking to become prequalified by the Department of Administrative Services (DAS) are required to submit, among other data, company financial information. If a private company takes reasonable measures to maintain the secrecy of this information, such as stamping the specific data "CONFIDENTIAL," DAS views this information as private, not subject to public disclosure under the Freedom of Information Act. Specifically, in such a situation, DAS will treat the information as exempt from disclosure as a "trade secret" under Conn. Gen. Stat. § 1-210(b)(5)(A).

Company Financial Statement EXCEPTION Effective October 1, 2011

"Certified community development financial institution" means a community development bank, credit union or loan or venture capital fund that provides financial products and services in economically distressed markets and that is certified by the Certified Development Financial Institution Fund of the United States Department of the Treasury.

Letter from Bonding Company
