Provider Description

Information provided by the provider describing their agency:

Established in 1905, KenCrest Services is an innovative non-profit, 501 (c)(3) organization with 111 years of experience in supporting individuals with intellectual disabilities and autism in the states of Connecticut, Pennsylvania and Delaware.

Since 2009 in Connecticut, we have demonstrated our ability to effectively support individuals whose behavior limits their full inclusion in their community. Our “can do” attitude and “doing whatever it takes” approach in providing person centered supports to individuals with unique needs has proven to be very effective.

Our mission, which is our guiding force, is to provide services and supports to individuals who have or at risk of having intellectual or developmental disabilities or autism in a manner that respects individual rights, enhances potential, and enables people to have control over their lives.

Our Guiding Principles:

- We believe that a positive supportive environment that is based on a relationship of equality between and among those who serve and those who are served offers the greatest opportunity for people to grow and develop.
- By our own words and actions we try to show respect for every individual who receives our services.
- We seek to encourage the development of environments in the community which encourage growth, and which are consistent with the kind of fair and reasonable risk which characterizes life for all people.
- We welcome and promote the involvement of those we serve, and the involvement of their family members and friends in important decisions concerning that service.
- We commit ourselves to serve with consistency and continuity the needs of the individuals we serve.

Utilizing the above principles, KenCrest Services supports individuals in the following settings:

- Community Living Arrangements (CLA)
- Continuous Residential Supports (CRS)
- Adult Companion
- Clinical Behavioral Support Services
- Individualized Self Directed Day Supports
- Group Day Supports
- Individualized Home Supports
- Personal Supports
- Respite
- Supported Employment

Currently, KenCrest Services supports sixty-five (65) individuals in the Greater Bridgeport, Fairfield, Waterbury and New Haven area.
