Provider Description

Information provided by the provider describing their agency:

Kristen Olbrych has over 6 years working in the field of behavior analysis conducting functional behavior assessments (FBA), designing behavior intervention plans (BIP), and providing effective parent / sibling training. Kristen places an emphasis on teaching appropriate replacement behaviors, and conducts a vast array of assessments to teach clients skills necessary to remediate deficits. Kristen has experience working in school districts, home environments, and clinical settings with clients ranging in age from 2 years old to 16 years old. Her previous work experiences have enabled her to work collaboratively with school teams, families, and related providers.

Kristen may be reached by email or phone to arrange behavior analytic services, or consultation.
