ENGINEERING & CONSTRUCTION BULLETIN

Office of Construction Division Chief

July 2020 Supplements to the Standard Specifications, Form 818

The July 2020 Supplements to the *Standard Specifications for Roads, Bridges, Facilities and Incidental Construction*, Form 818, have been approved. A searchable PDF document is posted on the Department's Internet site "[Doing Business With CTDOT, Standards and Specifications.](#)" No hard copies will be available. The online postings for July 2020 include:

1. Stand-alone July 2020 Supplements
2. Form 818 with July 2020 Supplement changes in **red text** (printable version, with notes pages)
3. July 2020 List of Major Changes

Printed copies can be made either on your own, or by making a request to the CTDOT Printing Services in Newington.

Projects with Final Design Plan (FDP) dates of **January 1, 2021** or later shall reference the July 2020 Supplemented Standard Specifications, Form 818 in the Contract.
