ENGINEERING & CONSTRUCTION BULLETIN

Assistant Chief Engineer

January 2021 Supplements to the Standard Specifications, Form 818

The January 2021 Supplements to the Standard Specifications for Roads, Bridges, Facilities and Incidental Construction, Form 818, have been approved. A searchable PDF document is posted on the Department's Internet site "[Doing Business With CTDOT, Standards and Specifications.](#)" No hard copies will be available.

The online postings for January 2021 include:

1. Stand-alone January 2021 Supplements
2. Form 818 with January 2021 Supplement changes in **green text** (printable version, with notes pages)
3. January 2021 List of Major Changes

Printed copies can be made either on your own, or by making a request to the CTDOT Printing Services in Newington.

Projects with Final Design Plan (FDP) dates of **June 1, 2021** or later shall reference the January 2021 Supplemented Standard Specifications to Form 818 in the Contract.
