Dear Chairs and Ranking Members of the Finance, Revenue and Bonding and Government Administration and Elections Committees,

In accordance with Section 132 of Public Act 25-174, please find the Department of Administrative Services' (DAS) report for April 2026 regarding the status of the design, alteration, renovation, and construction of the facilities for the Office of the Chief Medical Examiner (OCME).

In January 2026, DAS issued a Request for Qualifications (RFQ) for architectural and engineering services to design the renovations and additions to the facility. DAS will be interviewing multiple firms through our Best Value selection process. We anticipate a final consultant selection by early June 2026.

Please feel free to contact our office if you require any additional information.

Sincerely,

A handwritten signature in blue ink that reads "Michelle H. Gilman".
