PROPOSAL INFORMATION

Description of change and reason for change (attach additional information as needed):
Add exception that hospitals do not require to install to this article.

Proposed text change, addition or deletion (attach additional information as needed):
Exception: Hospitals are exempt from this requirement.

Supporting data and documents (attach additional information as needed)
Hospitals will use all space during a crisis and could have problems because of power loss.

- [X] This Proposal is original material. (Note: Original material is considered to be the submitter's own idea based on or as a result of his/her own experience, thought or research and, to the best of his/her knowledge, is not copied from another source.)
[ ] This Comment is not original material, its source (if known) is as follows: (such as material / code development proposal from a prior development cycle or proposal submitted to model code committee etc.)
[ ] I would like to make an in-person presentation of my proposal.

Release

I hereby grant the State of Connecticut full rights to the use of this material without benefit to me, including, but not limited to, publication and reproduction rights.
