Individual collective bargaining agreements are to be consulted to determine provisions regarding holiday compensation and/or compensatory time off for work performed on a holiday. Employees not covered by collective bargaining units shall receive holiday benefits in accordance with Section 5-254 of the General Statutes which states, "(a) Each full-time permanent employee in the state service shall be granted time off with pay for any legal holiday. If a legal holiday falls on a Saturday, employees shall be granted equivalent time off on the Friday immediately preceding such Saturday or given another day off in lieu thereof. The Commissioner of Administrative Services may issue regulations governing the granting of holiday time to other employees in the state service. (b) Any employee in the state service compensated on an hourly or per diem basis shall be entitled to time off with pay commensurate with any time granted by order of the Governor to salaried employees with pay. (c) No state employee shall be required to work any legal holiday solely by reason of the convening of the general assembly on such day."

For future planning purposes and to provide information for a number of inquiries we receive, please note the following facts concerning the observance of these holidays:

- Martin Luther King Jr.'s birthday is observed on the third Monday of January each year
- Lincoln's Birthday is observed on February 12th of each year (unless this date falls on the weekend in which case it will be observed in accordance with the Statute referenced)
- Washington's Birthday is observed on the Monday following Lincoln's Birthday
- Columbus Day is observed on the second Monday of October each year
- Veteran's Day is observed on November 11th (unless this date falls on the weekend in which case it will be observed in accordance with the Statute referenced)
