Honorable Leaders of the Planning and Development Committee:

Pursuant to C.G.S. Sec. 4d-90, please find the enclosed report on Geographic Information Systems (GIS) activities and work performed during the year beginning January 1, 2025, and ending December 31, 2025, as specified in section 4d-90.

The [Connecticut GIS Office](#) continued to have a transformative year in 2025, with many important milestones achieved. The GIO and GIS Office are situated within the Data and Policy Analytics Division, reporting directly to the Chief Data Officer and coordinating GIS activities with the [Intergovernmental Policy and Planning Division](#) (IGPP).

We look forward to continuing this progress in the coming year. If you have any questions, please contact Alfredo Herrera, Geographic Information Officer at alfredo.herrera@ct.gov.

Thank you,

Joshua Wojcik
Secretary
Office of Policy and Management
