

“Growlers” Continued:

- **Size:** Four (4) liters allowed to be sold per person per day
- **Distribution:** Containers must be supplied and filled by the permittee (consumers cannot bring their own containers for filling) and they should be clean and sanitary.

Please Note: The law allows distributors to provide or sell the containers to you.

DRINKS TO GO

You may sell securely sealed containers of alcoholic liquor to go. The beverage does not need to be in the manufacturer’s original container, but the container you use cannot have a lid with sipping holes or straw holes. The beverage must be placed in a bag by an employee. The beverage must be accompanied with food prepared on the premise. Limits: 196 oz. of beer; 1L of spirits; 1.5L of wine. You must also follow all local ordinances.

LIQUOR PERMITS ARE NOT TRANSFERABLE

Any change in ownership or transfer of stock must be reported to the Department before the change. Your liquor permit must be canceled upon sale or transfer of the business. New business owners must apply for and be granted their own permit before selling any alcohol.

LIQUOR MAY BE PURCHASED ONLY FROM AN AUTHORIZED DEALER

You may only purchase liquor from an authorized wholesaler or self-distributing manufacturer licensed by the Liquor Control Division.

BEER MUST BE PURCHASED WITHIN A GEOGRAPHIC TERRITORY

All wholesalers have a geographic territory in which they are allowed to sell certain brands of beer. It is your responsibility to ensure that you are purchasing from the correct distributor.

OTHER PERMITS

The holder of a standard restaurant permit (the “backer”) may hold a café permit, a hotel permit, a seasonal open-air permit, or a manufacturer permit. **Note that restaurants may engage in off-premise catering activities without a separate permit.**
