### **A-Correspondence Received**

**A-1** Updates to April 2021 Paper & Pencil PE Civil Exams

**For information only, no action required**

**A-2** Email from Ralph Howe: Re: Design processes for clients in the state of CT with design processes being stamped by CT licensed engineers.

**Ralph Howe has a Maine based company. He inquired whether or not it is legal for him to design processes for clients in CT. This is for process equipment, agricultural equipment or processed etc. The designs would be stamped by a CT licensed Professional Engineer prior to construction.**

**The Board held a brief discussion and stated that any work that requires a design in Connecticut or review requires a licensed CT professional engineer.**
