

For everyone's health, please...

Wash hands often with soap and water for at least 20 seconds. If soap and water are not available, use alcohol-based sanitizer

Avoid:

- shaking hands as a greeting
- touching your eyes, nose, and mouth with unwashed hands
- close contact with people who are sick

Stay home when you are sick

Cover your cough or sneeze with a tissue, then throw the tissue in the trash

Clean and disinfect frequently touched objects and surfaces

Thank you 😊
