From: Tracey Weeks, MS, RS

Date: October 3, 2012

Subject: **Recall of Dale and Thomas Ready-to-Eat Bags of Popcorn**

Dale and Thomas Popcorn is voluntarily recalling a limited number of ready-to-eat bags of select flavors of Indiana-brand popcorn products (see attached) because of possible contamination by *Listeria monocytogenes. Listeria monocytogenes* is an organism which can cause serious and sometimes fatal infections in young children, frail or elderly people, and others with weakened immune systems. Although healthy individuals may suffer only short-term symptoms such as high fever, severe headache, stiffness, nausea, abdominal pain and diarrhea, Listeria infection can cause miscarriages and stillbirths among pregnant women. Anyone who is concerned about a possible health problem or illness should contact a healthcare provider immediately.

Products involved in the recall should not be consumed and may be returned to the point of purchase for a full refund or replacement. The recalled products were distributed to various retailers, vendors, distribution centers, and consumers through the Internet on or after August 8th, 2012 with Best By dates of February 4th, 2013 through March 12th, 2013 (see attached list of Connecticut stores/distribution centers). All recalled products were packaged in red bags of various sizes (see attached photos). Consumers can identify if they have purchased an impacted product by looking at the Best By date located in the front, top right corner of the package and the Bag UPC (Code) located in the nutritional panel found on the back, bottom left corner of the package.

All other Popcorn, Indiana-brand products are safe to consume.

The potential for contamination was noted after testing by the company revealed the presence of Listeria monocytogenes in some ready-to-eat bags of Popcorn, Indiana-brand products.

Consumers with recalled product(s) should contact Dale and Thomas' dedicated recall hotline (866) 940-7936 Monday through Friday 9:00 a.m. to 4:30 p.m. Eastern Time, or email the company at: recall@daleandthomaspopcorn.com for additional information.

Phone: (860) 509-7297 • Fax: (860) 509-8071
MS# 11FDP, 410 Capitol Avenue, P.O. Box 340308

Consumers reporting illness should be advised to contact their primary care physician for proper follow-up and treatment. Local health department staff that receives calls from consumers with possible foodborne illness after consumption of this product should follow the usual procedure of completing the 3-page Foodborne Alert form and faxing it to the Food Protection Program within 24 hours at (860) 509-8071.
