## Camp Harkness

Come join Infinity Music Therapy Services at Camp Harkness for a music-based intervention group to assist with motor, communication and social skills custom designed for children ages 12 and under. Drumming, movement to music, therapeutic singing exercises, and more will be used to capture your child's attention, build their cognition and language, and help them develop peer relationships. No prior music experience is necessary. Let's get ready to shake, rattle, and roll!

We thank Jona Shook, MT-BC (she/her), Board Certified Music Therapist for her talents to get us all up dancing!
