

1/10/22

Dear DDS providers,

Below is information regarding the launch of a new service that requires EVV usage. As part of this rollout, Sandata is offering all providers the opportunity to participate in a webinar to share important details. Please see below:

The Group IHS 2 and Group IHS 3 services are ready to be added to the Sandata system for a February 23, 2022 rollout.

Sandata will be hosting two training webinars for providers

The Group Visit webinars are:

1. Jan. 18 from 2:00 p.m. to 3:30 p.m.
2. Jan. 21, 10:30 a.m. to 12:00 p.m.

Registration is available using this link: <https://go.oncehub.com/CTGroupVisitsforAgencies>

Agencies are highly encouraged to register in advance to avoid last minute difficulties gaining access to the webinars.

The webinars will not be available later through the DDS provider website.
