LISTEN TO ME ... IT'S MY LIFE!

That's your friend at the door!

I love my family and I'm not afraid to use them!

To be right is my biggest secret...

I love a good start and I'm not afraid to use them!

Life is about more than programming!

Ever wonder what a person with a disability thinks? **ASK!**

A person with a disability is just like you. They have feelings, they have dreams, and they have a lot to offer.

I VOTE

Get out your opinion and share it in life... it takes a little more to appreciate the view!

NOTHING ABOUT ME WITHOUT ME!

My name is my friend!

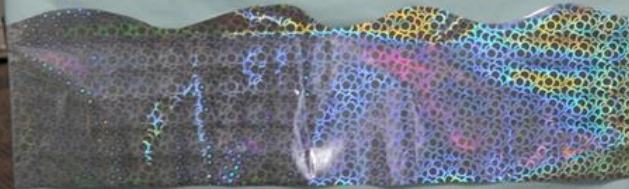

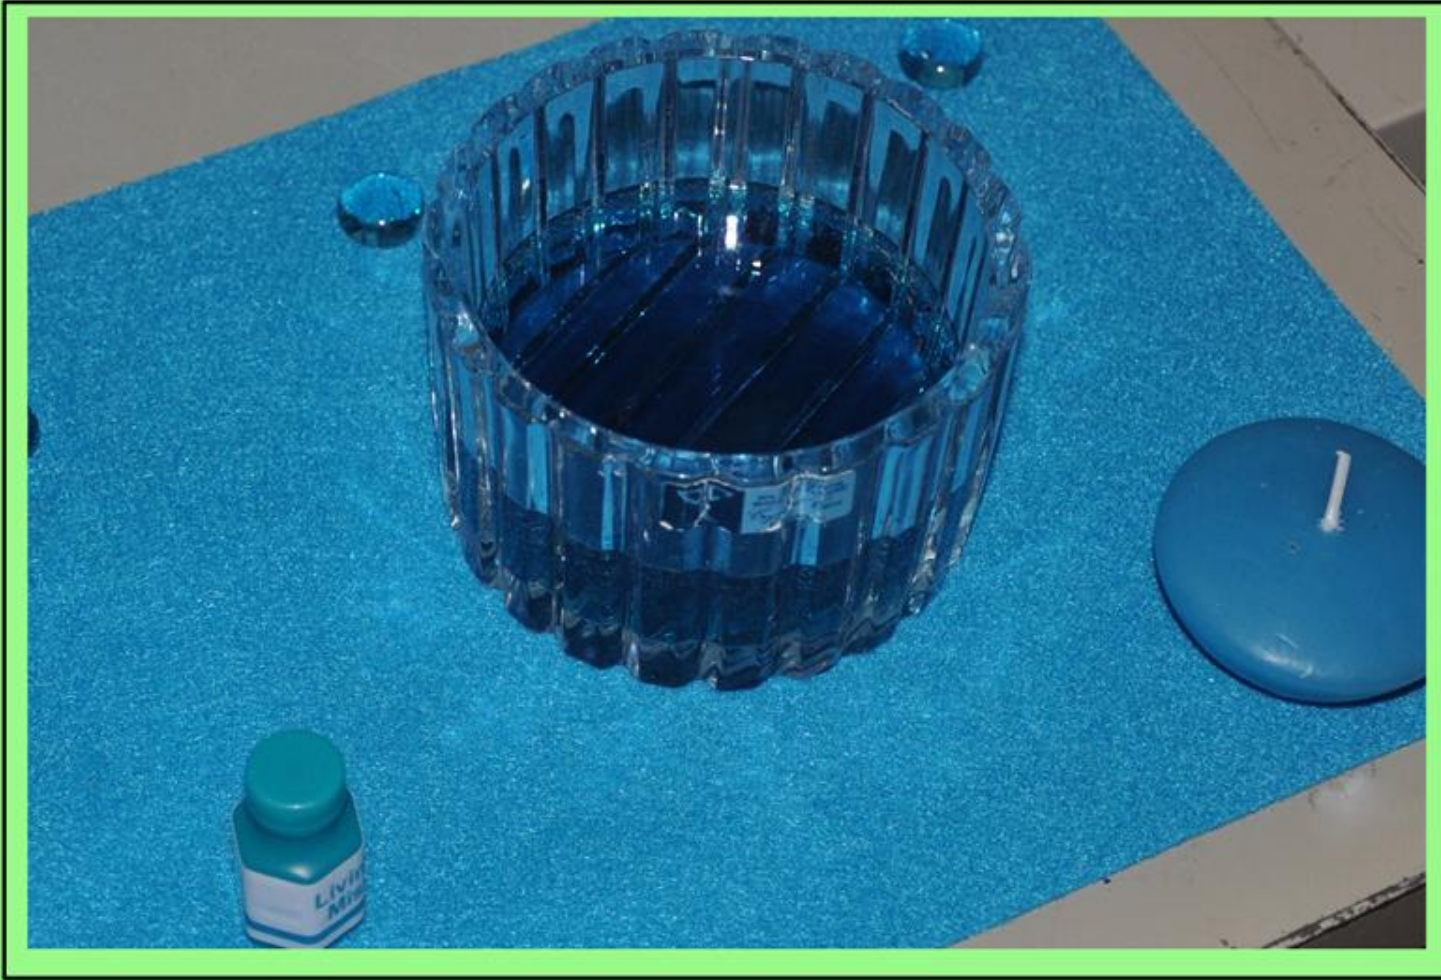

Friends are my life!

The best!
