

DDS Legislative Update – May 5, 2017

This legislative update is divided into four sections:

- [Bills Proposed by DDS](#)
- [Senate Proposed, Raised and Committee Bills Being Followed by DDS](#)
- [House Proposed, Raised and Committee Bills Being Followed by DDS](#)
- [Proposed Budget for Fiscal Years 2018 and 2019](#)

Note: All of the legislative committees now have reached their Joint Favorable (JF) Report deadlines. All proposed bills that have died in committee have been removed from this legislative update. This does not mean that the concepts in the proposed bill may not show up in another bill or amendment but for this session that particular bill will not be moving forward. For a complete list of bills having been tracked by DDS, including proposed bills, please see [DDS Legislative List of Bills Being Tracked – April 27, 2017](#) on the DDS Legislative Affairs webpage.

Note: This update is not a comprehensive list of bills before the Connecticut General Assembly. DDS is tracking and assessing the bills listed below for their potential impact on individuals receiving funding or services from DDS, their families and guardians, DDS employees and DDS qualified providers.

This legislative update shows some of the bills that are being tracked by DDS this session. If a Public Hearing on a bill has been scheduled the date of the public hearing and in most instances a link to the public hearing agenda will be after the bill's description.

As the legislative session goes forward, bills will be referred from legislative committees to the House or Senate. The House or Senate then may refer the bills to other committees or chose to vote on them. In these updates, the last action taken on a bill will be in **bold**. For a bill to become law, both the House and the Senate must vote favorably on it by June 7, 2017 at midnight, and the Governor must sign the bill into law.

Key to Legislative Terminology:

Vote to Draft means a Proposed Bill will be drafted as a Committee Bill.

Reserved for Subject Matter Public Hearing means a bill will have a Public Hearing but the date of the Public Hearing is still to be determined.

Change of Reference means that the original committee is moving the bill to another committee without a Joint Favorable action.

JF means the committee reported the bill favorably to the House or Senate.

JF Change of Reference means the committee reported the bill favorably to another committee.

JFS means the committee reported the bill favorably to the House or Senate but with substitute language.

JFS Change of Reference means the committee reported the bill favorably to another committee but with substitute language.

A File Number (**File No.**) is a unique number given to a bill once it has reached the House or Senate Floor. A file copy of a bill with the file number has a plain-language description of what the bill's provisions do, written by the Office of Legislative Research and a fiscal note that explains what a bill would cost or save to implement, written by the Office of Fiscal Analysis.

DDS Legislative Update – May 5, 2017

A House or Senate Calendar Number (**House or Senate Cal. No.**) is also a unique number that is given to a bill once it reaches the House or Senate Floor. This number is used to hold the bill's place on either the House or Senate Calendar. If the bill is a House bill (H.B. 5000 or higher) or a Senate bill (S.B.1 to 4999) it first gets a Calendar Number from the chamber the bill originated in. Once a House bill is passed in the House, it goes on to the Senate where it receives a Senate Calendar Number. Likewise once a Senate bill (with a Senate Calendar Number) passes the Senate, it goes to the House and receives a House Calendar Number.
