Instructions

Welcome to the Connecticut Medical Assistance Program Provider Enrollment/Re-enrollment Wizard. This Wizard is available to providers newly enrolling in the program and those providers who are notified that it is time for re-enrollment into the program. This Wizard offers a simplified, expedited method of enrollment/re-enrollment.

Please note the following:

- Providers must enroll in the appropriate taxonomy/provider type/specialty to ensure accurate billing and reimbursement rates. A full list of taxonomies/provider types/provider specialties can be found at www.ctdssmap.com by clicking on Information, then Publications.
- The Wizard will not allow you to submit an incomplete application. If required fields are omitted, you will be prompted during the application process to correct those fields.
- If you have a popup blocker, you must add "www.ctdssmap.com" as Allowed Web Site.
- Once you have started an application, you cannot save an application in process and return to complete it later. Rather, you will be required to start a new application.
- Applicants may be presented with a Follow On Document which lists additional documentation that must be mailed to the Hewlett Packard Enterprise Provider Enrollment Unit in order for your enrollment/re-enrollment application to be considered complete. Failure to mail to Hewlett Packard Enterprise any of the required documents will result in a delay in processing your application.
- Once an application has been submitted, you cannot return to it to modify the application. Any changes to the application after it has been submitted must be mailed to:

Hewlett Packard Enterprise
Provider Enrollment Unit
P.O. Box 5007

Conditions for DSS Acceptance of Electronic Signatures

In order for DSS to accept electronic signatures on the Provider's medical records, the Provider shall, at a minimum, meet the requirements that are listed below. In addition, the Provider shall have written policies governing the assignment and use of electronic signatures on medical records that reflect these requirements. The requirements are as follows:

Before assigning the unique code, the Provider shall verify the identity of the User.

The unique code assigned by the Provider to a User shall not be assigned to anyone else.

The Provider shall certify, in writing, that the User is the only person authorized by the Provider to use the unique code that was assigned to him or her.

Each User shall certify, in writing, that the User will not release his/her User identification code or password to anyone, or allow anyone to access or alter information under his/her identity.

Each Provider and each User shall certify, in writing, that the electronic signature is intended to be the legally binding equivalent of the User's traditional handwritten signature.

I certify that the Provider has policies that meet the Provider Enrollment Agreement concerning the Acceptable Use of Electronic Signature requirements for acceptance of electronic signatures by DSS, and that the Provider meets all of the requirements for the issuance and use of electronic signatures.
