 - a. **Financial Reporting Requirement**: An agency that has received financial compensation of \$300,000 or more through a Purchase of Service contract is required to electronically submit the 2019 Annual Report

The reconciliation assures the State of Connecticut that the expenses reported in the Annual Report are based on the audited costs reported in the Financial Statements.
- d. If the Annual Report is filed late, Regulation Sec. 17-313b-4 notes that for each day that the ACOR (Annual Report of Residential and Day Services) is not filed, a penalty shall be assessed. The Commissioner may approve a request for an extension to the filing date if he deems that extraordinary circumstances will prevent the timely filing of the Cost Report. The request for an extension should be sent to the attention of Commissioner Scheff in writing and prior to October 31, 2019. DDS will make every effort to review all extension requests in a timely manner but makes no assurance that a request will be reviewed before the submission deadline. 6. Items of Note for the FY 2019 Annual Report for Residential and Day Services - The following is a list of items to be aware of when completing the FY 2019 Annual Report. Please consult the instructions included with the download for additional information regarding the Annual Report.

- a. The provider must have a separate cost center for each CLA and/or CRS home.
- b. The provider must have a separate cost center for each program type (CCH, IHS, Personal Support, Companion Services, Parent Support, Shared Living, ISE, GSE, DSO, IDN/IDV, Pre-Vocational, HCC, Clinical Behavioral Supports, and Adult Day Health). The costs for transportation specific authorizations should be included in the support category for which the participant is transported to. The support categories of ISE, GSE, DSO, Pre-Vocational, and IDN/IDV will fall under the Summary of Day spreadsheet. The support categories of IHS, personal support, companion services, parent support, shared living, clinical behavioral supports and healthcare coordination will fall under the Summary of IHS spreadsheet.
- c. In FY2016, the Annual Report was amended to comply with the Office of Policy and Management Uniform Chart of Accounts. A single one page report had been added that converts the existing accounts on the Annual Report into a one page summary for the Uniform Chart of Accounts. The one page summary is automatically populated with the information provided on the Summary Pages. The addition

of the uniform chart of account summary page has required items that were previously included in a general line to now be itemized. The items are as follows:

All Programs

- General Supplies
- Communication
- Insurance (Property)
- Client Medical Expenses
- Recreation
- Vehicle Lease (excluding Vehicle Interest and Insurance)
- Vehicle Maintenance (gas and other operating expenses)
- Other Transportation (Specify)

Day Programs only

- Rent and Real Estate Taxes
 - Security
 - Maintenance & Repair-facility and Plant
 - Utilities
- d. Summary of Day Expenses includes an additional line on the Annual Report to include the total number of hours provided for all hourly service authorizations. Providers will continue to separately report on the number of days provided for all per diem authorizations.
- e. The Executive Director's Salary Supplemental Disclosure Schedule is not optional. All providers must complete this form. The form has been revised to account for multi-state providers and the allocation of the Connecticut portion of the Executive Director's salary. The total allowable salary amount has been increased to \$101,000.00.
- f. As a reminder, all maintenance salary and benefits or any other costs related to the maintenance of a CLA must be reported on the DSS Room and Board pages. CLA maintenance costs found to be included in the DDS portion of the report will be disallowed and **NOT** included in your DDS cost settlement.
- g. The amount of the cost settlement will be 100% of the difference between the total DDS revenue reported on the Payment Letter for FY 2019 prepared by DDS Operations Center minus the total DDS expenses reported on the FY 2019 Annual Report for all DDS programs.
- h. The allowable limit for lease/loan/rental payments for each administrative vehicle is \$4,800 per year. This applies to the annual payment for the acquisition of the vehicle exclusive of gas and maintenance costs.
- i. **Reporting related party transactions on the Annual Report does not replace the need to submit a request for prior approval from DDS in conformance to the DDS Ethics Protocols.** The allowability of costs associated with all related party transactions are subject to additional review as part of the Annual Report review process.
- j. Providers are to report costs based on the OPM costs standards. The standards define and enumerate allowable and unallowable costs, including Administrative and General (A&G) costs, and require documentation of all allowable administrative costs in a formal cost allocation plan. Here is the link to the Cost Standards: http://www.ct.gov/opm/cwp/view.asp?a=2981&Q=382994&opmNav_GID=1806.
- k. CLA providers are to clearly identify the total cash advance amount funded by DDS for all CLA's on their financial statements as a liability under the name "DDS Cash Advance."
