Provider Description

Information provided by the provider describing their agency:

The Kennedy Collective, Inc. underwent rebranding from The Kennedy Center in 2022 to better represent the collective voices, partnerships, and impact of the organization. Established in 1951, The Kennedy Collective offers Support Services and builds Social Enterprises that demonstrate the tangible value people with disabilities bring. Our Support Services encompass programs such as Applied Behavior Analysis (ABA) therapy, day support options, residential services, mobility assistance, transition services, and employment services. Our Social Enterprises provide meaningful employment opportunities in sectors including supply chain logistics, landscaping, custodial services, and workforce staffing.

We assist over 900 individuals daily, ranging from early childhood to seniors, with a wide array of diagnoses including intellectual and physical disabilities, Down syndrome, Fragile X, Alzheimer's, acquired brain injury, mental health disorders, autism spectrum disorder, and other cognitive disabilities. Each individual receives personalized planning and programming tailored to their specific needs.

Our mission, "Create pathways for people to flourish and thrive," is to establish inclusive environments where individuals with disabilities can excel, be recognized, and contribute meaningfully to their communities.

At The Kennedy Collective, we lead, advocate, and innovate with courage. We actively engage in diversified partnerships, seek opportunities through tenacious perseverance, celebrate individuality, and empower and employ individuals – because, as a collective, our abilities have no bounds.
