I am the mother and plenary guardian of a 26 year-old intellectually and developmentally disabled young adult. Currently she is at a day program that she likes but offers no employment opportunities. She's been saying repeatedly that she wants a part-time job. She has plenty of experience in a group supported employment arrangement, but I think is mature enough to be on her own depending on the tasks.

How does the 5-year plan address linking prospective employers with IDD candidates?

Thank you for your attention.

Sincerely,
Mary Ellen Corey DuBail
