Provider Description

Information provided by the provider describing their agency:

I am a Board Certified Behavior Analyst. I have worked with individuals with autism and intellectual disabilities for over 6 years. I have worked in home settings, self-contained classrooms, private schools, and public schools providing support for individuals, families, and staff. I have also worked in residential and day programs.

I received my M.A. Community Psychology from the University of New Haven in Connecticut. I began working in the field as an Applied Behavior Analysis therapist and continued growing within the field. My areas of specialty include school consultation, parent training, and staff training. I have experience developing behavior plans and conducting functional behavior assessments to manage maladaptive behaviors to benefit individuals with disabilities and families. My goal is to give an individual with disabilities a better quality of life increasing their independence.

Please feel free to contact me to provide services. I would happy to serve you and your family.
