Provider Description

Information provided by the provider describing their agency:

EdAdvance is one of six non-profit Regional Education Service Centers in Connecticut. We provide educational and community services to school districts and community service agencies in 30 western Connecticut towns. Our organizational structure invites and promotes community involvement. Services are delivered through more than 40 high quality programs. These programs include technical assistance, program evaluation and planning, strategic planning, curriculum development, teacher evaluation, technology, literacy, early childhood and Head Start programs, and community-based programs to support employment and assisted living.

Community Service Programs

EdAdvance’s Community Service programs are structured to help individuals with disabilities live, grow, and become more independent and productive members of their community. Our goal is to advance independence while providing personalized supports. We assist participants in all aspects of independent living, with a strong focus on community integration.
