### Provider Description

#### Information provided by the provider describing their agency:

NAFI CT, in its fourteen years of effective service delivery in Connecticut, has experienced success while emphasizing and remaining committed to community integration as well as collaborative and strength based treatment approaches. Our vision has been to develop a community-based system of care and treatment for children, adults and families while ensuring that our services are based upon principles of dignity and respect that help individuals to grow in order to better their lives and the world around them. In keeping with NAFI CT's mission of creating diverse and innovative services for people, we are committed to assuring that all consumers with mental retardation are protected; have opportunities to experience life and community inclusion, have opportunities for choice and control in their lives, are supported in establishing healthy relationships, have opportunities to enhance skills and talents and are always treated with the utmost respect and dignity. NAFI CT strives to honor the boundless possibilities of all individuals and families we encounter by assisting them in developing the skills and self-confidence to serve them without sacrificing their autonomy.

NAFI CT has demonstrated capabilities through our experiences and successes in working with DD/MR population. NAFI CT operates four DCF licensed therapeutic group homes, which services many adolescents eligible for DDS services; provides supports to consumers via Individualized Home Supports; Individualized Day Supports, and in a Community Living Arrangement. We have also collaborated with DDS to provide behavioral assessments and consultation for in-home supports. We have been successful in fully integrating the consumers into everyday living and community life and increasing the sense of self worth and value. We have embraced each consumer and introduced him/her to a world that is individually focused and rich in opportunities.
